PRINCIPAL’S REPORT

Congratulations to Alex Hinitt and Joshua Howarth who are our Students of the Week. Alex and Josh were awesome hosts at our school concert last term. Thanks for all your work in ensuring we were kept entertained throughout the concerts. Well done, Alex and Joshua and congratulations on being named our students of the week!

Bouquets
Science and Engineering Challenge
Congratulations to our Year 5 and Year 6 boys who were crowned the Science and Engineering Challenge champions at St Peters Campus, Maitland on Thursday 18 September, 2014. Our groups completed two half day science and engineering challenges against other schools. Well done boys!

Sincere thanks to the Rotary Club for covering the transport and lunch costs on the day, enabling our students to be part of this challenge.

Voluntary Contribution Draw - and the winner is … the Nickle family. Congratulations on winning the bike at our assembly on 19th September.

What’s New
The Army Classroom now has brand new air-conditioning which I am sure the class will enjoy over the coming months. Many thanks are extended to the families who supported our fundraising efforts via the Aerobics for an Air conditioner and to the families who paid the 2014 Voluntary Contribution. Your combined efforts have assisted us in being able to achieve our goal.

Coming Up
Next Monday, our school debating team will once again lock horns with representatives from the Rotarians in the annual debate. The debate commences at 6.30pm at the Country Club.

P & C Meeting
Will be held next Tuesday commencing at 7pm in the school library.

Term 4 Weekly Assembly Roster
Assembly commences at 9:10am each Friday. Parents and community members are most welcome to attend.

Starting School- Kindergarten 2015
If you have yet to register your children as part of our Kindy 2015 intake, please contact the school ASAP to assist with planning. You can do this either by calling in, phoning the school on 0249970286 or emailing the school at teagardens-p.school@det.nsw.edu.au

We are busily preparing for our Kindergarten Orientation Program which runs during Term 4. This vital program assists with the transition from home / pre-school / day-care to “big school”. The dates for our Kindergarten Orientation program are as follows:
Thursday 30 October 2014 from 9-11am. (This day also includes a parent information and question and answer session).
Thursday 6 November 2014 from 9-11am
Thursday 13 November 2014 from 9-11am
Thursday 20 November 2014 from 9-11am

Don’t miss out on having your say. Preliminary results from the satisfaction survey will be tabled at our P&C meeting next Tuesday evening.

The 2014 survey is accessible via a link: https://www.surveymonkey.com/s/3QH763W

The Duck Derby is back!
Tickets for ducks are $5 per duck. Numbers available from office. Further details and prizes in next week’s newsletter.

Library Days –Term 4
A number of changes to class library times / days have occurred.
The new library days for Term 4 are as follows:
Tuesday
Team (Mrs Howard)
Mob (Ms Maloney)
Colony (Miss Duncan / Miss Cameron)
Pod (Mrs Ingram)

**Wednesday**
Corps (Mr Weightman)
Troop (Mrs Fowler)

**Thursday**
Armada (Miss Winney)
Mob (Ms Maloney)
Troop (Mrs Murrell)

**Tricks for encouraging kids to read**
Is your child a reluctant reader? Why not try helping them find the book that goes with a movie or DVD they’ve enjoyed, or are about to see. Encouraging your child to read can help them to build their imagination as well as giving them a better vocabulary. Kids who read different types of books develop a wide range of language skills and are better placed to understand different types of texts as they progress into high school. School A to Z has lots of tips and ideas on encouraging your child to read, at http://bit.ly/HLPmB9

**How much water does your child really need?**
Staying hydrated is even more important during the warmer months. Every part of your body needs water to work properly and dehydration can lead to painful kidney stones. Many people don’t feel thirsty until they are already dehydrated, so packing a drink bottle with your child's school lunch is a good reminder for them to drink during the day. Sports drinks and juices are popular with kids, but they often contain a lot of sugar. To find out the recommended daily intake of water for your child’s age at http://bit.ly/ZjwUjo

**Private tutoring**
Are you thinking about a private tutor to complement your child’s education? School A to Z explores questions about what to look for in a tutor, what you would want your child to achieve and tips on what to ask a potential tutor. http://bit.ly/K5aczo

**Leaving your child at home alone**
At some point it will be necessary to leave your child home alone for a short period of time. There is no actual law in Australia that states what age a child can be left alone, but parents are legally responsible for their child's safety and wellbeing. You may be nervous the first few times (although most kids are excited about the independence) so making some clear ‘home alone’ rules with your child gives them an understanding of their boundaries and how to stay safe. Read more here: http://bit.ly/1u5vTa9

**Team sports – more than health benefits**
As well as helping kids stay fit and healthy, team sports help them learn that things don’t go their way all the time and that they need to respect their peers. Sports also help children and teens with resilience, how to respond to setbacks and loads more benefits discussed here: http://bit.ly/HlgxVO

**Golf Term 4, 2014**
This term golf will be held on Monday afternoons between 4 pm and 5 pm. Golf will commence on Monday of Week 3 (20th October). All students welcome - participation is free. Mr Weightman

**Science and Engineering Discovery Day**
Last term, students from years 5 and 6 were selected to go to the Maitland Science and Engineering Day to represent our school. The day was filled with problem solving and teamwork. Students had to work together to complete tasks including building strong bridges, designing air propelled cars, generating electricity for towns and splitting water into groups using small hoses and taps. 8 school groups competed on the day and our school won the trophy by coming 1st. We had a second group compete who also did extremely well and came 5th. Congratulations Stage 3. Miss Duncan and Miss Winney.
SCHOOL SUMMER UNIFORMS—ORDER

Please order girl’s summer dress uniforms as soon as possible. The cost per uniform is $50 from size 4 to 16. Please send your orders in early, so that we can order enough stock.

**Good for Kids good for life**

**Fundamental Movement Skills**

*Did you know?....Children do not automatically know how to catch, throw, kick, run and jump*. These are known as fundamental movement skills (FMS). In the same way children need to learn the alphabet in order to read, they need to learn basic movement skills in order to lead a physically active, healthy life.

Our school is committed to providing students with opportunities to practise these skills within their PE lessons, school sport, using playground markings, fixed equipment and access to equipment such as balls, skipping ropes etc.

There are many ways parents can support their children to practice these skills at home, which include:

- Encouraging them to play in the backyard, dance to music, run or swim or play sports
- Encourage children to make their own obstacle course at home using the garden hose as a tight rope, chairs to crawl under and the clothes line to run around.
- Negotiate a limit on sedentary activities such as watching TV and playing computer games

Below is a home fun activity that you can enjoy with your children:

**Rebound Catch**

Using a brick wall and a ball practise catching for 10 minutes. Throw the ball (soft medium-sized ball) at the wall under-arm and try to catch the ball with two hands.

See how many times you can catch the ball off the wall without letting the ball touch the ground, standing:

- 2m away from the wall
- 3m away from the wall
- 4m away from the wall

Write down your highest score and work towards improving it each time.

Road safety

Key points to remember around schools

1. In and out of the car

To comply with national child restraint laws, your child should be restraigned in the car as follows:

0 – 6 months
Approved rearward-facing child car seat

6 months – 4 years
Approved rearward-facing or forward-facing child car seat

4 – 7+ years
Approved forward-facing child car seat or booster seat.

Make a rule that every child passenger must be securely buckled into a seatbelt or child car seat before you start the car.

A sleeping child must remain firmly buckled up while the car is in motion.

Reward your child with lots of praise for good road safety behaviour.

Assist your young child to buckle up – always check the buckle and make sure the belt is not twisted.

Ensure your children always get in and out of the car through the ‘safety door’. This is the rear kerb side door of the car.

Never allow children to get out of the car on the traffic side.

When possible, children should remain in the car until an adult opens the ‘safety door’. This helps ensure that children get out of the car safely.

Children aged between four and seven years cannot travel in the front seat of a vehicle with two or more rows, unless all other back seats are occupied by children younger than seven years in a child car seat.

A child that is properly secured in an approved child car seat is less likely to be killed or injured in a car crash than one who is not.

NEVER leave a child of any age in a vehicle without supervision. A small child may rapidly suffer from dehydration, heat exhaustion and consequent organ failure. Older children could play games that may lead to danger.

At Tea Gardens Public School, we want you to feel informed and confident about starting school. Join us for our Kindergarten Orientation Program for a taste of life at our great school.

Starting school can be both an exciting and anxious time for parents and children. It’s important to us that you get good information to make the start of school an enjoyable experience for you and your child. Come and participate in the excitement of this new phase in your child’s education. Our Kindergarten Orientation Program is designed for this purpose.

From the moment you and your child enter our school, you’ll find our highly qualified staff ready to give you all the advice and guidance to get started. You’ll find that support will continue throughout your child’s education at Tea Gardens.

Our Kindergarten Orientation program takes place over four weeks in Term 4. During this time, the children spend time in the classrooms with teachers and other students.

Meanwhile, parents are offered an information session at our first Orientation session on Thursday 30 October 2014 on a range of topics including:
- Is my child ready for school?
- The First Day
- The A-Z guide to Tea Gardens
- What is Best Start?
- What do students learn in Kindergarten?
- How can parents participate?
- Our Uniform
- Attendance
- What if my child has special needs?
- The role of the School Counsellor

You will take a tour around our first class facilities and meet the Principal and staff who can answer all of your questions.

We look forward to working together to provide the best possible start for your child.

For more information about our Kindergarten Orientation program, contact one of the following:
