PRINCIPAL’S REPORT

Student of the Week
Congratulations to Cameron Jefferies who is this week’s Student of the Week. Cameron receives the award for being an excellent class member who is supportive and willingly assists others. Congratulations, Cameron on being named this week’s student of the week.

Bouquets
Christine Wisemantel
Christine has been working in the school canteen since the 2001 school year. It is with great sadness that we farewell Christine this week after many years of dedicated service to thousands of students over the last 14 years. On behalf of our school community, thanks Christine!
A special farewell function is currently being organised. Further details to follow.

School Concert- Our stars shine bright!
Extraordinary talent was on display with the 2014 Tea Gardens Public School Concert, “At the Movies”. The biennial event saw over 200 performers strut their stuff in both a matinee and evening performance to a combined audience of 475 delighted fans. Hosted by Margaret and David (A.K.A Alex and Joshua) the two hosts displayed talent well beyond their years, keeping the audience entertained with some humorous and witty comments in between each of the performances.
After an overture from the school and community band, performing songs from the Flintstones and George of the Jungle, the audience was thrilled by performances from the school dance groups based around the Chronicles of Narnia and the Harry Potter series.
Kindergarten then dazzled the audience with “South Pacific”. Our littlest performers loved the experience. "I danced to wash that man right out of my hair. I liked to wiggle my bottom in the dance. It was fun"- Rosie
"I danced to South Pacific. South Pacific is the best and it was fun." – Boston
"Being in the navy for the concert was fun. The music was good. My mum was clapping."- Will
A vast array of performances followed, spanning from a ship sinking to Martians from outer space. Our budding actors performed to The Lion King, Despicable Me, Grease, Aladdin, Titanic, Mars Attacks! and The Blues Brothers.
The night concluded with the school choir performing a song from The Bee Movie.
Congratulations are extended to:
- our budding stars (the students),
- our staff,
- School Concert Committee
- School and Community Band
- Eddie Groot- videography
- Mel Carter- backdrop
- Angela Condie- school choir
- Joe and Jomeca – sound and lighting

Wildside Festival
Congratulations to Harry Clemson from the Troop class who won both the Myall Coast Native Flora and Myall Coast Native Fauna Primary School Photography Competition. The competition was judged by photographer Christian Patteson. Harry’s winning photographs will now be printed and mounted onto canvas for him to keep.
Congratulations, Harry.
Special recognition to Bianca Clarke, who also had a flora photo in the finals component of the competition.

Thanks to all of our students who submitted their photos to support this local community event.

**Coming Up**

**Golf**
Golf is on Tuesday afternoon from 4pm-5.05pm. This semester, there is no charge for this activity.

**Assembly this week**
This week’s assembly will be hosted by the Pod class. Please come along and be a member of our audience. Assembly commences at 9:10am each week.

**Science and Engineering Challenge – Thursday 18 September**
Year 6 and invited Year 5 students have been selected to attend the Science and Engineering Day at St Peters Campus, Maitland on Thursday 18 September, 2014.
During the Science and Engineering day, students will be divided into 12 groups of 2 to 4 students. Each group will work on two half-day science and engineering based activities.
Our schools involvement in the Maitland Science and Engineering Discovery Day is being fully funded by the Rotary Club of the Myall Coast. We thank the Rotary Club for covering the transport and lunch costs for our students.

**Spring Vacation**
The spring vacation commences this Saturday 20 September and concludes on Monday 6 October. Students and staff return to school for term 4 on Tuesday 7 October. Please enjoy a safe and well deserved break.

**Starting School- Kindergarten 2015**
If you have yet to register your children as part of our Kindy 2015 intake, please contact the school ASAP to assist with planning. You can do this either by calling in, phoning the school on 0249970286 or emailing the school at teagardens-p.school@det.nsw.edu.au

One of the things we do every year is a satisfaction survey for parents, teachers and students. The 2014 survey has been prepared and is accessible via a link included in the email with this newsletter. Your support in completing the survey is very much appreciated.
As an added incentive, we have a $50 COLES Gift Card to give away in a prize draw. Everyone who completes the survey (and their name) will be entered in the draw. Click on the following link to complete the survey. [https://www.surveymonkey.com/s/3QH763W](https://www.surveymonkey.com/s/3QH763W)

**Has your family paid the voluntary contribution for 2014?**
Pay your 2014 Voluntary Contribution of $50 per family and go in to the draw to win a bike! The draw will take place at assembly **this Friday 19 September**! Each family who has paid the voluntary contribution by this date will receive one ticket in the draw.
100 percent of the monies collected from the 2014 voluntary contributions are going towards the replacement cost of air conditioners.

Why does our school have Crunch&Sip®?

Crunch&Sip® is a set time in primary schools for students to ‘refuel’ on fruit and salad vegetables and ‘rehydrate’ with water.

Research has shown that students who are not hungry and are well hydrated perform better in the classroom, show increased concentration, and are less likely to be irritable and disruptive.

Crunch&Sip® gives students the opportunity to eat at least one serve of fruit or vegetables a day and can help increase their overall total daily intake.

What to pack for Crunch&Sip®

- A bottle of water
- And either:
  - A whole piece of fruit or vegetables e.g. mandarin, banana, carrot
  - A small container of bite sized fruit or vegetables e.g. berries, grapes, carrots, celery
- Vegetable sticks
- Dried fruit very occasionally

Consider fruits and vegetables that are in season as this will help to lower the cost and be sure to pack something for Crunch&Sip® everyday!

Is fighting bullying?
While fighting between two students of equal power is of concern, it is not bullying. It is the presence of a power imbalance that distinguishes bullying from fighting, conflict, violence and disagreement. It is this imbalance that makes mistreatment of the victim possible. However, if one of the students establishes power over the other and continues to threaten or fight that student and that student can’t make it stop, this would then become a bullying situation.

Why do children bully?
Reasons that children exhibit bullying behaviour include the following:
• to get what they want
• to be popular and admired
• fear of being the one left out
• jealousy of others
• it seems like fun, or they are bored
• it has worked for them before
• they enjoy the power
• they see it as their role at school
• their significant role models bully

What factors contribute to the development of bullying behaviour?
Aggressive behaviour among significant others contributes to bullying. Children who have role models who bully are more likely to imitate this behaviour, and bullying may be spurred by harsh physical punishment by family members. Children may bully smaller, weaker children to copy what happens to them at home. Further, poorly monitoring and supervised children may believe it is okay to use bullying behaviour to get what they want.

If children have peers that bully, they may feel they have to bully to fit in. Some children also feel that they need to strike first for fear of being bullied. They believe that if they use their power and assume a hostile stance it will discourage other children from bullying them. Children who bully typically lack empathy for the child they are bullying.

Road safety around your child’s school
Your child’s safety depends on you

Drop off and pick up by car
Make sure your children are in an appropriate child car seat that is fitted and used correctly.
Stick to the 40km/h speed limit in a school zone as children are about.
Look for buses pulling out – watch for flashing wig wag lights.
Always park and turn legally around schools.
Avoid dangerous manoeuvres such as U-turns and three-point turns.
Always give way to pedestrians particularly when entering and leaving driveways.
Drop your children off and pick them up on the school side of the road in your school’s designated drop off and pick up area. Calling out to them from across the road is dangerous – they may run to you without checking for traffic.
It’s safest for children to get out of the car on the kerb side of the road to be away from passing traffic.

Walking together to and from school
Plan your trip to school so you use pedestrian crossings where possible.
Always hold your child’s hand. Children need your help to spot dangers such as vehicles coming out of driveways. They can also be easily distracted and wander into traffic.
Drop off and pick up your child near the school gate and avoid calling them from across the road.
Talk with your children about Stop, Look, Listen and Think every time they cross the road.
STOP! one step back from the kerb.
LOOK! for traffic to your right left and right again.
LISTEN! for the sounds of approaching traffic.
THINK! whether it is safe to cross.
Young children can learn these safe pedestrian habits from you and continue them later on when they are old enough to travel alone.

Did you know your child is learning about road safety at school?
