STUDENT OF THE WEEK
Congratulations are extended to Mitchell Barr from the Squadron classroom who is the student of the week. Mitchell receives student of the week for the following: working well in class; taking on more responsibility in the classroom and playground; being kind and considerate to younger students; completing his role as minister with pride and representing the school in a range of sports throughout the year. Congratulations Mitchell. Come to our assembly this Friday to find out who will be our next Student of the Week! Assembly commences at 9.10am and everyone is welcome. This Friday, the Ministers will be hosting our assembly.

Diamond Award - Badge Assembly. A special badge ceremony assembly has been organised for Friday 4 December commencing at 9.10am
Students who have received or receive 35 weeks of on track behaviour up to and including 27 November this year, will receive their diamond badges on Friday 4 December. This will allow us to pay special attention to all our Award recipients in a special minister's assembly.

BOUQUETS
Australian Native Landscapes (ANL)
On Friday, our school took delivery of over 16 cubic metres of vegetable and garden mix soil donated by ANL. This donation saved the school approximately $1500! Thank you to Australian Native Landscapes for their generous donation. We will be using the soil in our eight dedicated class garden beds in the Rotary Kitchen Garden.

Bulahdelah Show - Student Night Award Winners
Tea Gardens students entered the writing, public speaking and art sections of the 2015 Bulahdelah Show with outstanding results including:

Public Speaking

Round Robin Sporting Competition
Over the past 8 weeks students have been participating in the Round Robin Sporting Competition each Friday. Even though students have been competing in teams, points have been accumulating each week for house groups. Each week a junior and senior student was selected as the most valuable player and as showing the best sportsmanship. The most successful girls team was the “Lightening Strikes” and the most successful boys team was the “Chicken Legs”

COMING UP
Volunteers Morning Tea- 17 November, 10.45am
On Tuesday, our school will be hosting a morning tea to say “thank you” to our parents and other community members who have assisted our school in many ways during the year. Over 200 invitations were sent home and out a few weeks ago. If we have somehow overlooked you or the invite didn’t make it home and you have helped out throughout the year, please join us at our thankyou morning tea!

Nitbusters- Wednesday 18 November
Our school will be coordinating a Nitbusters Program
The Nitbusters program is a NSW Health initiative to reduce the prevalence of head lice in the community. This project was developed in consultation with the NSW Federation of Parents and Citizens Associations and the NSW Department of Education. It educates school children and parents about head lice and how to screen for and treat them as a community.

Kindergarten Enrolments 2016
We currently have 22 students enrolled for Kindergarten in 2016. It’s still not too late to enrol for next year. Please contact the office to obtain an enrolment form. You can do this either by calling in, phoning the school on 0249970286 or emailing the school at teagardens-p.school@det.nsw.edu.au

Our final Kindergarten Orientation session is on this Thursday 19 November
Our Kindergarten Orientation program concludes this Thursday. The pre-schoolers will spend the morning session in the classrooms with teachers.

Rotary Debate- 23 November at 6pm
On Monday 23 November, our debating team will be involved in a debate against Bulahdelah Central School at Tea Gardens Country Club hosted by the Rotarians. We wish our debating team the best of luck.

Swim School Commences on Monday 23rd November
Road Safety
We really enjoyed NRMA visiting Tea Gardens Public School to deliver the Science & Road Safety Day program. Here are some of the road safety messages discussed during the presentations.

1. By law, all children under the age of 7 must use a booster seat. A booster seat allows children to sit taller in the seat so that the adult seatbelt doesn’t rest across their neck which is very dangerous in a crash.

2. Did you know that for maximum protection, your child’s seatbelt must sit on their collarbone and across their hip bones? If your child is constantly slipping their seatbelt under their arm so that it rests against their ribs, then they may still need a booster seat. We need to keep the seatbelt away from the rib cage as it is not strong enough to withstand the forces generated in a crash.

3. The front seats of cars are potentially dangerous places for children. Airbags deploy at 300km/hr and they are designed to hit an adult at chest height. For any child under the height of 150cm it will hit around head height. Australia growth charts show that less than half of children reach 150cm by the age of 12, so delay your child’s move into the front seat for as long as possible.

4. For a bike helmet to do its job, it must stay on your child’s head in a crash and the best way to do this is to adjust the straps to ensure there is no more than a two finger space above the eyebrows and between the chin and strap. Take off your cap to ensure your helmet stays in place or wear your hair in plaits rather than a high pony tail when riding.

5. Never slash or cut the inside foam of your bike helmet as this is the part that absorbs all the force...
that would be transferred to your head should you crash. If you have a crash and your helmet hits the ground, you will need to replace the helmet even if it still looks okay. This is because the all-important inner foam has been compressed and it is now too hard to absorb the force of another crash.

6. Make sure your child’s bike is the right size bike so they can always be in control – are the balls of the feet able to reach the ground when they are seated on the bike? If not, you will need to lower the seat. Make sure that the brakes, gears and bell are in easy reach when riding.

Visit mynrma.com.au/childsafety or email education@mynrma.com.au to learn more.

Mark Clemson
Principal

REMEMBERS
Swimming School and Squad Training
Swimming school and squad notes were sent home 3 week’s ago and commences next week. Enrolments for this program close today 16 November. No late enrolments will be accepted.

Summer Reading Challenge
Help stop the Summer Slide by encouraging your child to read every day during the school holidays. Research tells us that children who read for at least 10 minutes a day over the summer holidays have a better start to the new school year than children who spend little or no time reading. Reading over the holidays helps children maintain or improve the reading level that they developed through the school year. Kids who don’t read over the summer holidays can lose core reading skills and slide backwards, potentially falling behind when they return to school. Keep the reading momentum rolling all summer long with the Scholastic Summer Reading Challenge! Encourage your child to read every day over the school holidays and lodge their Reading Minutes in the ultimate Summer Reading Challenge—Australia versus New Zealand. Did you know that children are likely to read more and more likely to ENJOY what they read when they have the freedom to choose their own independent reading material? Make sure you join the Summer Reading Challenge. This is available through the scholastic website and encourages your child/ren to continue reading throughout the school holidays. A great way to compete against another country in reading minutes recorded and lots of fabulous prizes to be won. Student prizes—one winner in each State and Territory. The child with the highest number of reading minutes in each State and Territory will receive a $50 Book Clubs voucher for each issue (8 in total) in 2016. The total prize value per student is $400 worth of Book Clubs vouchers. School prize—one winner across both Australia and New Zealand. The school with the highest number of logged and verified Reading Minutes will receive a box of books for each student. Winners will be notified via email. The winners’ names will also be published on the Scholastic Competitions website at scholastic.com.au/competitions from 8 February 2016. For more information go to http://summerreadingchallenge.scholastic.com.au

Book Club
Book Club order forms will be going home today. These will be due back on the 25th of November. This will be the final book club for the 2015 school year. Make sure you order on time to get your Christmas orders in.

Scary Story Competition

How to enter
Write your own scary story this summer holiday—limit 800 words. The winning entry will be the most creative and well-written story. Three winners will be selected, one from each of these age groups:

Send your story via email to competitions@scholastic.com.au or post to us at:
Scholastic Scary Story Competition
Reply Paid 579
Gosford NSW 2250
Don’t forget to include your name, age and school.
Click here for T&Cs

The competition closes on 1 February 2016.
Merit Awards

Congratulations to the following students who received a merit award on Friday 13 November 2015. They were:

ALLIES
- Jenayah Hall: Working well in class
- Sienna Riley: Working well in class

BRIGADE
- Kathleen O’Brien: Effort and application towards all her work
- Will Barlow: Fantastic improvement in story writing, spelling and punctuation

HEROES
- Deagon Cook: Excellent answers when responding to stories
- Abigail Alderton: Being a kind and considerate class member

MATES
- Haleigh Simmons: For her excellent work in all areas
- Jackson Hind: For his good work in Mathematics

POPPIES
- Gethyn Bryant: For representing the school with pride at the Bulahdelah Student Night
- Mia McDonald: For her detailed line drawings

AIF
- Kiera Bentley-Baker: Improving all the time
- Tye Carter: Working hard in Mathematics and English

CADETS
- Allysha Randall: Working well in group tasks
- Zane Pietsch: Working well in group tasks

SQUADRON
- Tyreece Wolfram: Making insightful comments during class discussions
- Brandon Price: Assisting younger students in the playground

WANTED

The Children at Tea Gardens/Hawks Nest Preschool need plastic bottle top lids for craft and fundraising projects. You can help by collecting plastic lids from home and dropping them off in the marked container at the office at Tea Gardens Public School.

Many thanks,
Cathryn Gamble (Preschool Committee Secretary)
