Boating Education Visit

We were fortunate to be joined by Stuart and Gavin from Maritime Services who came out to educate our students about being safe around boats and the water. Visits such as these are important, given our proximity to the beautiful waterways of the Great Lakes region. The students loved trying out a variety of personal flotation devices / lifejackets to ensure that they had one that was the correct type and size. Students also participated in life jacket races- an event that the students thoroughly enjoyed. All students received a show bag filled with information to share with parents about boating safety.

Clean Up Australia Day – 25th Anniversary

Thank you to everyone for supporting our school Clean Up Day. It was great to see the students enthusiastically help keep our school and the surrounding area clean! Special thanks to our Minister for the Environment (William Markham)

Tell them from Me Student Feedback Survey
(For students in Years 4-6)
I am delighted that this term, our school, like many others in the state, will participate in a Department of Education and Communities initiative: the Tell Them From Me student feedback survey. The survey aims to help improve student learning outcomes and measures factors that are known to affect academic achievement and other student outcomes. The focus of the NSW-wide survey is on student wellbeing, engagement and effective teaching practices. More information about the survey is available at: http://surveys.cese.nsw.gov.au/information-for-parents

The survey is a great opportunity for our students to provide our school with valuable and quick feedback on what they think about school life, how engaged they are with school and the different ways that teachers interact with them. Schools in Australia and around the world have used the Tell Them From Me survey to help improve how they do things at school.

I want to assure you that the survey is confidential and school staff will not be able to identify individual students from their responses. The survey is conducted online and will typically take less than 30 minutes to complete. It will be administered during school hours between 9 March and 2 April. Participating in the survey is entirely voluntary. A consent form and FAQs for parents/carers about the survey was sent home last Monday with students. If you do not want your child or children to participate, please return the form to school by Friday 6 March.

Copies of the form and FAQs are available from the website above.

Premier’s Reading Challenge
The Premier’s Reading Challenge commences today. The Challenge aims to encourage a love of reading for leisure and pleasure in students, and to enable them to experience quality literature. It is not a competition but a challenge to each student to read, to read more and to read more widely.

The Premier’s Reading Challenge (PRC) is available for all NSW students in Kindergarten to Year 9. The PRC has a list of books for each Challenge level, catering for students in Years K-2, Years 3-4, Years 5-6, Years 7-9. Students read books from the booklists at or above their Challenge level to complete the Challenge. The book lists are made up of a range of fiction, non-fiction, picture books, poetry and drama and include a wide variety of Australian authors.

To register the books read as part of the challenge, the students need to use their student logon which is the same one they use to access computers and the internet at school.

For additional information about the Premier’s Reading Challenge https://online.det.nsw.edu.au/prc/faqs.html

ARTIST—PETER FENNELL
Romantic Impressionism" is Peter's description of his approach to painting. His unique style softens the Australia he loves so well, but being a self taught artist has enabled him to approach the Australian landscape and its people with a refreshing individuality. His treatment of light and its effect on form is all important in his paintings.

Dear Parents and Carers,

As you may know the P&C plays a large part at Tea Gardens Public School. The main role of the P&C is to raise money to help the school get additional equipment and supplies that are not provided by the government.

Over the past few years, the P&C has raised over $30,000, which has gone towards the purchase of 10 iPads, upgrades to wireless connectivity and paying for half of the new sports shed. In addition to purchasing items for the school the P&C also subsidises special events like the Young Leaders Day, Canberra/Snowy Mountain excursion, Interrelate, as well as new hats for all new students to the school.

Currently money is being raised for a new playground which will include climbing frames, soft fall & edging, at an estimated cost of $30,000.

The P&C is also responsible for the running of the School Canteen. The P&C employ the Canteen Supervisor and the Assistant Supervisor. In addition, the P&C rely on volunteers to assist in the smooth running of the Canteen, which many of our children enjoy.

The Annual General Meeting is coming up and a new executive committee will be elected. We will need to fill the following positions:- President, Vice President, Secretary and Treasurer. If you are interested in helping out with any of these positions please contact the school & leave your contact details. A member of the current Committee will call you back. In addition, Christine Wisemantel has been appointed as the 2015 Art & Craft Show Co-Ordinator, so a lot of work has been taken off the Executive Committee for this annual event.

We are also trying to encourage more people to get involved; we are currently looking at the idea of having Parent Representative for each class. We envisage this representative could act as a coordinator to share relevant information with other parents and carers about class matters and special events that benefit the school and the students. We hope that this may encourage adult representation of the different classes at fund raising events such as the trivia night, as well as creating a nice social network and strengthening the team of volunteers assisting with other major fundraising events.

Please indicate your interest by returning the bottom section of this form to the office or email your details to tgspandc@gmail.com.au
